New Wines for July in the UB Bar

This month in the UB Bar we have some fabulous new international wine for tasting.

2007 Porters 'Syrah' from Hawkes Bay

Saturated black red berries, this is a big wine on the nose and spicy on the palate. It builds and builds in the mouth with a lovely creamy texture, dry tannins, pepper and a touch of liquorice with underlying zesty acidity and tarry notes on the lingering finish.

Bottle only \$66

2007 Salomon Undhof Kogl Kremstal DAC Riesling

South terrace single vineyard in Stein Austria, heavily weathered Urgestein with crystalline schist [rock]. Typically floral and stone driven Riesling with great finesse, retired white peach.

\$9/\$40
