

2008 BELGRAVIA CABERNET SAUVIGNON

WINEMAKER'S NOTES

Cabernet is becoming Belgravia's 'definitive red' variety and the perfect culmination of Orange's cool 2008 vintage. Our vineyard is high enough for finesse and aromatic delicacy but low enough for ripeness and power on the palate, and all these qualities can be found in this wine.

Alcohol: 14.3%

AROMA AND PALATE

There are the classic cool mint overtones with blackcurrant aromas and cedar tannins.

DRINK WITH

Fantastic with saltbush lamb or local venison.
