

## 2008 BELGRAVIA SYRAH

### WINEMAKER'S NOTES

The cool climate region of Orange produces wines of complexity and finesse. Ripeness and alcohol replaced by balance and restraint.

Alcohol: 14.2%

### AROMA AND PALATE

This shows violet perfume over pepper, spice and aniseed with a black fruit core. Its power is in its subtlety. Its strength is its ability to endure.

### DRINK WITH...

Incredible with barbequed scotch fillet, roast beef or aged cheddar. This wine will continue to improve over the next decade.
