

## 2008 BELGRAVIA RIESLING

### WINEMAKER'S NOTES

An aromatic style with slight residual sugar. This is much in the European mould, with fruit harvested at different times blended into one complex wine. The cool ripening season coupled with our high altitude vineyards has accentuated the endearing varietal qualities of limes and quince.

Alcohol: 11.7%

### AROMA AND PALATE

Lime with talcum/rose petal undertones. A rich mid-palate with a teasing touch of sweetness finishing with lightness and lift. Strictly a drink immediately style nicely chilled at our wine bar or any one else's.

### DRINK WITH ...

This complex style is equally suited to sweet chilli spiced Asian dishes, soft cheeses with dried fruits, and desserts with citrus themes.
